

## Sampler Transcript 2021-2022

Welcome to a quick look at the new materials for Music Memory 2021-22 from Mighty Music Publishing.

Each selection has a well-planned, engaging lesson written in an easy-to-follow format. Each lesson features an Animated Listening Map (*music plays*) plus links to a Live Performance Video and an Alternate Version Video.

The Background Pages are done both in English and Spanish.

The easy-to-use Digital Teacher's Guide includes favorite features such as Composer Portraits, Wall Signs, Games, Activity Pages, Kinesthetic Title Videos (*video plays – just tap the children on top of the head, Young Person's Guide, like you are following someone, to the Orchestra, like a conductor, Orchestra*), Words To Themes Video, (*movie plays – It's a bird, it's a plane, no it's Mozart, Movement 1, Symphony number 40*), Movement Activity Videos, (*music plays*), Theme Banks, Practice Tests, Reader's Theater Scripts, Flashcards, Early Childhood Pages and MORE!

Included in every Basic Teacher's Guide are the Mighty Lesson Kit videos which include 16 video presentations of Composer Cards, Video Lessons highlighting key musical elements, (*movie plays – the fish change as the music changes key or tonality, the accompaniment, the part that supports the melody, is represented by the bubbles*), Animated VideoMaps (*music plays*) and a Quick Quiz. (*music plays*)

There are other great options for teaching Music Memory this year. The Mighty PowerPoint Lessons include 16 PowerPoint presentations that begin with a Setting the Stage activity and combine Composer Background Information, the Mighty Lesson Kit, Live Performance Links, and Alternate Version Performance Links.

The Mighty Fun Games are a great way to review the Music Memory selections with the whole class. There are 3 interactive computer games for both PC and Mac users to engage the students - the Fish Babble Vocabulary Game, the Trivia Game, and the Lucky Squares Review Game.

Materials available for independent student practice include practice CDs or Flashdrives with 16 selections recorded with spoken titles, and a wonderful Student Handbook with audio CD or Flashdrive designed for independent practice with black and white Listening Maps, Background

Information, Checking for Understanding, Reader's Theater Script, and Glossary.

And now, here is a brief introduction to each of the 16 Animated Listening Maps for all students. (*music plays*)

A Middle School Student Handbook to teach the 4 additional selections is available for purchase. It is designed for independent practice with color and black and white Listening Maps, Composer Background Information, Live Performance Video Links, Vocabulary, and review Flashcards. Also included is a Practice Test over all 20 selections and a Practice Test for the Written Questions Exam. A Flashdrive of the audio is included with the Student Handbook. Here are the beautiful Listening Maps for the additional 4 listening selections for Middle School. (*music plays*)

We welcome you and your students to another year of joyful listening.
